Visa information: Visa affair is the easiest part of the travel. Citizens of many countries do not need an entrance visa for Georgia (citizens of EU countries, USA, Japan, Israel, Turkey, Canada, Armenia, Azerbaijan, Moldova, Ukraine, etc.). Citizens of other countries can obtain a visa while crossing the border of Georgia at official checkpoints, including all airports of Georgia.

Travel information: Batumi can be reached both from **Tbilisi** and from **Istanbul** by airplane (daily flights in summer), also from some other airports in Europe (see the conference WEB). The airport is very close to the city. Batumi is about 350 km west from Tbilisi, about 6 hours by train, bus, or car.

Social events: a wide range of social programs including city tours and visits to historical places will be available.

Weather (and water!) in September in Batumi is still warm and one can enjoy a “velvet season” there.

We are looking forward to host you in Batumi
