

Title of the Abstract

ISAAC MAXWELL¹, JAMES CLERK NEWTON²

¹Department, Institute, University, City, Country
email: author@email.addr

²Department, Institute, University, City, Country
email: author@email.addr

Here will be printed the text of the abstract. It **should not exceed one page**.
Language: English.

You may make use of commands from the packages `amsmath`, `amsfonts`, `amssymb`.
Do not use, please, any nonstandard LaTeX package or idiosyncratic input files.

If you want to include graphics, please use pdf or jpg, and also send us the necessary files.

If there are two or more co-authors, do not forget to **indicate the speaker by underlining him**. Or, alternatively, you mention your co-authors at the end of the abstract.

If you need to use references, please do not use "the bibliography" and do not use your bibtex file, but make an itemized list as the one below.

When sending in your abstract, please rename it as: Lastname.Firstname.tex

Newton_James_Clark.tex

Newton_James_Clerk.pdf

and send us both a tex file and a pdf file.

Submit the abstract files by:

A. uploading from the Conference WEB page "Registration";

B. sending to the E-mail addresses

conferences.gmu@gmail.com

The deadline for an abstract submission is **July 15, 2022**. You will be notified about acceptance of your presentation by **July 20, 2022**.

Caution: the abstracts prepared not to according the guidelines above will be returned to the authors for modification.

The talk is based on joint work with co-author (Here the name of co-author or co-authors if not indicated above).
